info@e2glide.de

1 Price & Purpose

The E2GLIDE Challenge is used to promote Europe-wide junior gliding. The following price is advertised:

- a participant place at the E2GLIDE
- Financial support for the charter costs of a Discus 2c FES from the Wasserkuppe Flying School for the period mentioned from August 27th. - 05.09.2020
- Financial support for the registration fee of € 200 and the towing costs

The charter contract is drawn up between the winner of the E2GLIDE Challenge and the Wasserkuppe Flying School. The charter costs for the Discus 2c FES, as well as the registration fee and towing costs for the E2GLIDE may be submitted to the Wilfried Großkinsky Foundation, after which they will be fully reimbursed to the winner of the E2GLIDE Challenge. Travel, catering and accommodation costs are not covered. The price is earmarked.

3 Requirements & Regulations

- The competition period is from June 20 to July 31, 2020.
- Only single-seater flights are counted.
- The airfield for all competition flights must be in a country included in the OLC Europe.
- The three best flights are scored according to OLC-Plus rules.
- The pilot with the highest total score over all 3 flights is the winner.
- You are maximum 25 years old on August 31, 2020.
- Participants must have a valid pilot license.
- Participants must have a total flight experience of at least 500 flight hours at the time of the competition.
- The flight documentation must be done with an IGC approved flight data recorder (green V-dot in the OLC)
- The flight upload is made via the following website of the E2GLIDE until the next day after the flightday: <https://www.e2glide.de/flightupload/>
- The competition flights should be provided with a short comment on the flight in the OLC.
- Participants must have an OLC smiley.
- The winner of the E2GLIDE Challenge receives the price of the Wilfried Großkinsky Foundation, as defined in point 1.

4 Influence of the SARS-COVID19

In case that the event E2GLIDE is canceled by the organizer, the promotional price advertised here loses its value and cannot be redeemed accordingly. Any special solutions must be coordinated with the organizer of the E2GLIDE Challenge.
